

A Journey to Hogwarts

We are continuing to read Harry Potter to inspire our writing this term.

End of unit celebration:

We will celebrate the end of our theme with a Yule Ball.

Science

As scientists we will use our new knowledge and skills of states of matter to make magical potions.

French

We will learn vocabulary linked to the theme 'Le calendrier des fêtes' (Calendar of festivals). Children will learn new vocabulary through playing games and speaking and listening activities.

RE

In RE, pupils will explore the question: what does it mean to be a Hindu in Britain today?

The School Values which we will be focussing on are:

Curiosity, Enjoyment, Co-operation, Respect

Reading

Our class novels will be 'Harry Potter' and the Philosopher's Stone by J.K. Rowling.

Music

As musicians, we will use Garage Band to compose our own film score for a scene from Harry Potter.

Maths

As mathematicians we'll build on our addition and subtraction skills. We will also focus on multiplication and division.

Writing

We will be using our Harry Potter text to inspire our writing.

We will be writing interesting and exciting stories using appropriate grammar, spelling and punctuation skills.

Computing/Digital Literacy

In ICT, we will be exploring how to stay safe when online.

PE

In PE, we will continue to develop skills for throwing and catching. With Mrs Buxton, we will develop key skills in Gymnastics. PE kit is needed in school for Tuesday and Friday pm, please.

PSHCE

During lessons, we will learn about Road Safety, Anti-Bullying and Democracy.
