

A Journey to Hogwarts

Wow Starter:

We will participate in a sorting hat ceremony.

End of unit celebration:

Dress up day consisting of a series of magical lessons in Hogwarts!

Science

As scientists will use our new knowledge and skills about electricity to plan, design, test and evaluate an alarm system to protect The Philosopher's Stone.

French

We will learn vocabulary linked to the theme 'Les Monstres' with Mrs Hodgson. Children will learn main body parts, numbers to ten and a traditional French song.

RE

In RE, pupils will explore the question: what does it mean to be a Hindu in Britain today?

The School Values which we will be focussing on are:

Curiosity, Enjoyment, Co-operation, Respect

Reading

Our class novels will be 'Harry Potter and the Philosopher's Stone' by J.K. Rowling and 'Bill's New Frock' by Anne Fine.

PSHCE

We will be discussing British Fundamental Values (BFV) and learn about anti-bullying.

Art

As artists we will study the work of Van Gogh. We will use water colours, paint and printing to create a painting of Hogwarts inspired by Van Gogh's 'Starry Night'.

We will sketch a portrait of ourselves and explore relationships between line and tone when using pencils.

Writing

We will be using our Harry Potter text to inspire our writing.

We will be writing interesting and exciting character and setting descriptions, diary entries, stories, recipes using appropriate grammar, spelling and punctuation skills.

Computing/Digital Literacy

In ICT we will continue to develop our understanding of e-safety.

We will design, write and debug programs to create a digital game.

PE

In PE we will continue to build on our swimming skills and confidence in the water. We will participate in a range of games to further develop our skills required in team games with Mrs Buxton.

Maths

As mathematicians we will be working with numbers to 10,000. We'll also build on our addition and subtraction skills.
