

Autumn 1
Year 5

School values this term

Curiosity
Motivation
Enjoyment
Independence

RE

We will be focused on Humanism. We will compare our beliefs and those we are looking at. How are they similar/different?

Music

We will be looking at rhythm, tempo, pitch and dynamics within pieces of music.

Science
In Science we will focus on investigating changes in materials.

Art

We will look at the work of different artists and particularly focus on sketching skills. We will also concentrate on creating texture and tone.

Year 5 Autumn Theme: Vikings!

Who were the Vikings? What was life like in Viking times? Where were they from? What did they believe in?

How do we know how Viking's lived?

English

We are looking at the book 'How to Train Your Dragon' as a starting point for our writing. We will build up our understanding of how to use different sentence types for effect.

We will work on spelling rules and apply them within our writing as well as looking at different author styles and try to incorporate into different styles of writing.

English – Reading

We will continue to develop comprehension skills and build on our vocabulary. We will find evidence in texts to support ideas and we will extend our reading choices by looking at a wide variety of texts including both fiction and non-fiction.

PSHE

Exploring democracy – what does it mean?

Geography

We will learn to locate the world's countries, using maps to focus on North and South America, concentrating on their key countries and major cities.

Computing & Digital Literacy

We are going to use programming to create our own games.

We will revisit e-safety and understand how to research information on the internet.
