

YEAR THREE

CURRICULUM OVERVIEW

SPRING TERM

Walk Like
an
Egyptian!

We will be starting our topic with the discovery of some mysterious lost property!

History & Geography
We will be finding out about the Ancient Egyptians in history. We will discover how they lived and research the gods they worshipped. The children will gain an understanding human and physical features and land use in Geography.

English
We will be using high-quality books to inspire our writing this term. We write stories, letters and poems. These will include:
'The Egyptian Cinderella'
'Mummies Unwrapped'

Computing/Digital Literacy

The children will continue to develop their understanding of e-safety. Children will learn about branching databases.

Science

We will continue exploring forces and magnets before moving onto learning about animals and humans.

PE

The children will be taking part in athletics, games that involve throwing and catching such as rugby and tennis.

Art

The children will learn about great artists such as David Hockney. We will be learning how to successfully shape and mould clay into Egyptian death masks.

Our class novel is 'The Sun King' by Emma Carroll

RE/PSHE

Our big question this term is how do different faiths celebrate during religious festivals? We will also learn about stranger danger.

Design and Technology

We will be designing and making simple frame structures in order to create a kite.

Music

We will be learning to play the Glockenspiel this half term. We will learn some basic notes and have opportunity to create our own music.
