

KEEPING IN TOUCH

Message from Mr M

Well Done Year 6!

A huge congratulations to all of our Year 6 pupils who completed their end of year SATs yesterday. They have shown real grit and determination this week and definitely given it their all. We could not have asked for anything more of them.

Plans For September

This is the time of year where I start to develop the staffing structure for September. It is always a complex process and can not be finalised until after the 31st May due to teachers contracts. After the half term break, I will be communicating what our plans are and can start the transition process for all of the pupils remaining with us.

Roll Up, Roll Up for our Special Event

Friday 26th June is set to be a spectacular day in school as we host our major event of the year. Various clues have been dotted around school to entice the pupils and details will be shared in next week's KIT prior to us finishing for half term. Keep your eye's out for the information and book the day in your diary as our Summer Fair will also be held on this day.

EYFS Plant a plant day

Come along and join us for a day of planting fun!

We are asking parents to bring along a plant to plant with your child. We will provide the compost, tools and pots.

This year we are looking for herbs to plant in the muddy kitchen areas. For example mint, rosemary, chives, oregano, thyme

Plants which will return each year. For example Rudbeckia, Echinacea, Heuchera, Delphinium, Lupin

Bedding plants

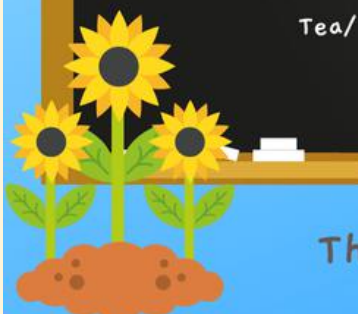

We would love to see as many parents as possible and will be delighted with anything you can bring along.

Tea/ coffee and cake will be on asle to raise money for the EYFS

Thursday 22nd May

am 10-11.15

pm 1-2.15

- We will be selling 'old' stock at the previous price, when we get new stock in we will increase the prices accordingly

FS1 & 2 Year Olds

The children in FS1 will be 'Franklin Frog' by Emma Tranter. They will be learning about the life cycle of a frog, making froggy slime and counting insects to feed to a frog puppet.

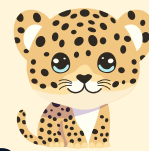

The Caterpillars will be reading 'The Undersea Cleaning Spree'. The children will be junk modelling and finding out about recycling.

You can hear the story here

Plant a plant day
Thursday 22nd May

Check out Seesaw for more information and timings.
Come along and plant with your child.

FS2 Bear , Cheetahs & Hippos

In Literacy next week we will continue reading 'The Magic Porridge Pot'. We will be making our own porridge and then writing instructions on how to make porridge. We will also be looking at a variety of books about bears, and then voting for our favourite using sticky notes.

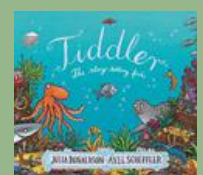

In Maths we will be continuing learning about halving and sharing equally. We will be sharing sweets between 2 soft toys. We will be chopping up fruit and veg to half them.

Plant a plant day will be on Thursday 22nd May and parents are welcome to join in either the morning or afternoon session. Please keep your eye out for more details.

News from the Nest

The Nest will be continuing with their under water theme. they will be reading 'Tiddler' by Julia Donaldson.

You can see the story here

We

Year 1/2 Ewes, Chameleons, Rainbow & Bluebirds

Next week we will be picking our own everyday object and adapting it to solve a range of problems. We will be creating posters to advertise our creations identifying why it is so good and what it does.

In Maths Year 2 will continue to focus on money. We will be exchanging different coins e.g. $5 \times 10p = 50p$. We will also be adding different amounts together and calculating change.

In Maths Year 1 will be focusing on fractions. They will be identifying a whole and a half of a shape or object.

Next week will be our final bike session with Stage One Cycles. The children have thoroughly enjoyed the sessions. We would like to say a big thank you to Stage One Cycles for coming in to work with us. It has been a great experience!

Special Shout Outs for Y1/Y2

1 / 2 B - Melissa, Izzy, Aayush

1 / 2 C - Ellie, Ashlyn, Isla, Libby

1 / 2 E - Zachary, Len, Lacey

1 / 2 R - Flo, Skyla

Year 3 Hedgehogs & Impressive Llamas

Year 4 Butterflies & Tigers

This week in English we have had a new text to explore, The Great Kapok Tree. The children enjoyed predicting what the text was about and exploring their own version of the book. The children then explored different vocabulary and used expended noun phrases to describe the front cover, in detail. In maths the children have been solving word problems related to volume. They finished the week off with a review of all their learning and will be moving onto our topic on money next week. In our art lessons we have been using hatching and shading techniques to create effect. In geography we have been identifying cities and counties in the United Kingdom.

Well Done

3 H - Daisy C, Logan J, and Ettie N-
C for amazing effort into all their work.

3 LL - Lucas H, Ivy, Jacob L,
Willow

DON'T FORGET!

Don't forget: PE DAYS:

Indoor : Monday morning

Outdoor Wednesday afternoon.

The good weather is continuing and that brings the wonderful opportunity to be outside as much as possible. The children need to bring a hat and water bottle to school. Also, if the children apply all day sun cream before coming to school that will keep them protected for the day.

This week pupils have completed their biographies about people who inspire them. The writing has been INSPIRATIONAL and they have all worked incredibly hard. In maths, we have moved onto written methods for division. In P.E. the children have developed skills to be an effective player in a game of cricket. In science, pupils loved discovering how food moves from your mouth to waste in our experiment, though many didn't want to eat their snack at playtime! Next week, pupils will complete their end of year assessments for reading and writing and will be preparing for the Multiplication Check, which will be in the first few weeks after half term.

Congratulations...

Butterflies - Well done, Grayson for being a role model pupil and always aiming high!

Tigers - Well done to Noah, our Tiger of the Week, you always try your best and put lots of effort into all that you do!

PE DAYS:

Indoor: Wednesday afternoon.

Outdoor: Friday afternoon.

Your child will complete the Multiplication Check between Monday 2nd June and Friday 13th June.

Please apply all day sun cream before coming to school and bring a hat and water bottle into school.

Equally Important

Equally Different

Year 5 Adventurers & Wolves

This week we have started a new piece of writing in English. We are recounting the myth of Perseus and Medusa and looking to build tension for the reader

In Science, we are learning about the phases of the moon and why we see it that way.

We have postponed the teaching of the RSE and puberty lessons which you will have received a letter about until after the half term.

Next week :

On Wednesday afternoon we will be walking to visit the Military Band of Catterick linking in to some of the work we have been doing in Music.

We also have the annual SHINE contest next Friday, when Year 5 will be represented by Ariel from 5W. We all wish her all the best and know she will smash it! Well done Ariel.

Shout outs to:

Ariel being the first person from 5W to ever make a SHINE final.

Lewis in 5A for an outstanding piece of written work in English.

Year 6 Stars, Hawks & Heroes

Well done to all the children who have worked their socks off this year and done amazing this wee through SATs

You are all amazing and we are so proud of you all.

Friday 16th May

Celebration Picnic
remember to bring sun cream and hats its going to be very warm

Friday 23rd May

Shine finals , you should have received a text with the details if your have got through.
