

KEEPING IN TOUCH

Message from Mr M

Individual Photos

Individual photos take place on Tuesday 17th June. If you have not completed the form to have your children's photos taken together please call the school office to arrange this. We are only able to take photos of siblings who are within the school - **full school uniform required.**

Bike Day - thank you for your support

£348 raised from the sale of bacon butties towards Bike day costs - thank you for your support.

Bikes and Scooters

There have been a few incidents lately of children being hurt either riding their bikes and scooters or by children riding bikes or scooters in the road outside of school or the FS2 playground when it is busy. Please make sure you are aware of where your child is and that they alight from their bike or scooter before entering the school grounds.

Magnets can rip holes in your child's gut

Magnets can be great fun.
But it's really dangerous
if a child swallows them.

They can attract to each
other inside the body, cut
off the blood supply and
tear holes in the gut.

A child may need major surgery
to remove them. So, keep them
away from young children. And
teach older children the risks.

If you suspect a child has swallowed
magnets, get medical help straight away.

people per
session

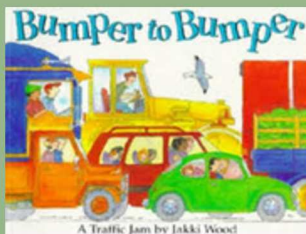

FS1 & 2 Year Olds

Next week in FS1 the children will be reading 'Look and See, What do you see in the Countryside'. The children will be exploring different environments and the animals they might find there. They will be painting different animals and matching animals with their footprints.

The Caterpillars will be reading 'Bumper to Bumper' by Jacki Wood. The children will be printing with car wheel and sponge printing a train. They will be matching pairs of vehicles and exploring colour.

FS2 Bear, Cheetahs & Hippos

The children have really enjoyed working with the concepts of full, empty, half full....this week. They loved watching the character of Sam Sly from our current story, come 'alive' and talk to them on the big screen. We will continue with The Singing Mermaid next week, designing and writing about our own mermaids. In maths we will begin to learn about money and the children will have the opportunity to spend some in our Le Cateau shop.

Please note: **there is no PE on Tuesday** and children will need to be in school uniform for the photograph

News from the Nest

The children in the Nest will be exploring the book 'The Day the Crayons Quit', by Oliver Jeffers.

You can see the story here

They will be continuing their work on feelings and colour. the children will be exploring different paint and painting outside.

Year 1/2 Ewes, Chameleons, Rainbow & Bluebirds

Next week in English we will be reading the story 'Leon and the Place Between'. We will be looking at the pictures in great detail. We will be asking questions to find out more information and making links to other books we have read. We will be writing speech in the form of speech bubbles (year 1) and playscripts (year 2).

In Maths Year 1 will be focusing on time, sequencing events and developing their understanding of seconds, minutes and hours. The children will also be starting to tell the time to the hour and half past the hour.

In Maths in Year 2 the children will be focusing on fractions. They will be identifying, naming and writing fractions for $\frac{1}{2}$, $\frac{1}{4}$, and $\frac{1}{3}$. The children will be solving problems by applying their knowledge of these fractions.

Special Shout Outs for Y1/Y2

To all the children for participating fully in bike day last Friday. The children joined in all the activities and had a great day. They were determined to succeed and have a great day on their bikes.

A big shout out also to Mrs Ramsbottom for organising such a jam packed busy day with lots of great activities and opportunities.

Year 3 Hedgehogs & Impressive Llamas

Year 4 Butterflies & Tigers

This week the children have been creating their own legends. The children have explored other legends from the area, they have discussed legends and myths and used their imagination to create great, believable stories. In maths we have been finishing off our money topic. We have been adding and subtracting amounts of money and solving word problems. The children will finish this topic with a role play shop, where they can sell and buy items from their friends. In geography the children explored Weather vs Climate. This was a good opportunity to compare the climate in UK to other countries we have visited. In PE we are concentrating on Athletics and building up our stamina ready for sports day.

3H - Teddy H for all round being awesome at learning. Daisy C and Jale for working hard in all lessons.

3IL- Teddy, Willow, Charles and Martha for excellent effort writing stories.

Don't forget: PE DAYS:

Indoor : Monday morning

Outdoor Wednesday afternoon.

DON'T FORGET!

The children need to bring a hat and water bottle to school. Also on sunny days, children should apply all day protection sun cream before coming to school.

This week, we have used knowledge of perimeter and area to calculate the space around and inside a shape. In English, we used an amazing tool to transform our character descriptions into images of the character that was trapped inside a barrel. The descriptions were incredible and the pupils were amazed by the images that AI produced! In PE, we developed throwing, catching, passing, striking and defending skills for a game of Quidditch. In Geography, we discovered why tourists would want to visit the coastal town, Whitby. In History, we found out who Alfred the Great was and why he was so important during the Anglo-Saxon period in history. We are pleased to inform you that all pupils have now completed the Multiplication Check. We are very proud of everyone! Next week, we will continue the hard work in English and see where our narratives go... In maths next week, we will move onto recognising and calculating angles in shapes.

Congratulations...

All 4B & 4T for an excellent attitude towards completing the MTC.

Don't Forget

PE DAYS:

Indoor : Wednesday afternoon.

Outdoor: Friday afternoon.

This term, children need to bring a hat and water bottle to school. Also on sunny days, children should apply all day protection sun cream before coming to school.

Equally Important

Equally Different

Year 5 Adventurers & Wolves

On Friday the whole school enjoyed the Annual Bike Day. As Year 5, we got to go out for the Ride Out..... in the pouring rain!! Everyone enjoyed getting thoroughly wet and riding through the deep puddles Mr White and Mr Hollocks could find. For the rest of the day the sun came out, and it was, as always, a highlight of the school year.

In Maths we have finished our topic of measurement of weight, volume and length. Feel free to challenge your child whilst out shopping, they should be able to compare products and how much is in there.

In Art this term the children will be making their own collage. If you have any old magazines or comics that children can use to cut up, please send them in. We would be very grateful. Thankyou

We have nearly finished our adverts for our Space hotels. Keep an eye on Seesaw for the finished product and who wins the 'one million pounds' prize for Best Hotel.

Next week we will start to look at the Apollo Space flights and the astronauts on board.

As a heads up for future events: Our Year 5 Sports Day this year will be on the afternoon of Friday 4th July on our school field as usual.

Shout outs this week to:

In 5W Aida for the most non injuries acquired on a single Bike Day. 🙄

In 5A Auden and Barsha for their excellent attitude to her learning

Year 6 Stars, Hawks & Heroes

Your child will now know their part in the school play, whether they have lines or are helping with props (we are all in this together). Please support your child in learning their lines and sorting a costume for them. Many thanks.

A massive well done to all of Year 6 who were exemplary on our trip out to Armed Forces Day. We even received comments on how polite and helpful you all were. Well done !!!

A special mention to our Shine winners: Jayce, Rowan, Cameron and Charlie for entertaining the troops with your winning act – you really got the party started!!!

Tues 17th June – School photos

Friday 4th July Y6 – Sports afternoon 1:15pm

Tuesday 15th July – 6:30 pm Production

Wednesday 16th July – 1:30 Production

Thursday 17th July – Leavers' water fight!

Friday 18th July – Leavers assembly PM
