Long Term Plan - Science 2026-2027

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Y1	Everyday materials	Seasonal changes (this topic continues throughout the year)	Animals, including humans		Plants	Introduction to Environment and Sustainability (LC specific)
Y2	Uses of everyday materials	Uses of everyday materials	Animals, including humans	Living things and their habitats	Plants	Introduction to Environment and Sustainability (LC specific)
Y3	Rocks	Forces and magnets	Animals, including humans	Introduction to Environment and Sustainability (LC specific)	Plants	Light
Y4	Electricity	States of matter	Animals, including humans	Living things and their habitats	Sound	Introduction to Environment and Sustainability (LC specific)
Y5	Earth and space	Properties and changes of materials	Forces	Living things and their habitats	Animals, including humans	Introduction to Environment and Sustainability (LC specific)
Y6	Animals, including humans	Evolution and inheritance	Electricity	Living things and their habitats	Light	Introduction to Environment and Sustainability (LC specific)
